step1:

Visit the official website of the Chinese Consulate General in New York (https://newyork.china-consulate.gov.cn/eng/), read the "Requirements and Procedures for Chinese Visa Application", determine the type of visa you want to apply for based on the purpose of your visit and prepare the corresponding documents.

第一步：查阅信息

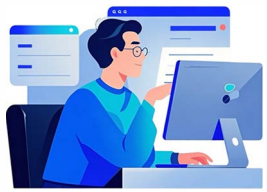

访问中国驻纽约总领馆官方网站（https://newyork.china-consulate.gov.cn），阅读"赴华签证办理须知"，根据访问目的确定拟申办签证种类并准备相应材料。

step2:

Create an account in the "China Online Visa Application" system (cova.mfa.gov.cn) and log in. Fill out the application form correctly and completely before uploading the application materials as required for preliminary review.
